

It doesn't take more than a little sun and two wheels to bring out the spirit of giving. After a soggy wash-out on Day 1 of the South Florida MS Ride, more than 400 riders showed up on Day 2 with full conviction for the cause. The sun beat down on the riders as they reached for bananas, instant oatmeal, bagel and orange wedges. Thanks to everybody who visited our Subaru of America booth! We had a blast meeting you.

Congrats to Michael Oosterman and Iliana for winning Subaru-Pedal America bike jerseys. Wear them in good health!
